Student Animals Sold and Processed Through the 2010 Fair²

<i>Species</i>	<i>Number</i>
Beef	6
Sheep	15
Hogs	51
Goats	2
Rabbits	4
Pens of chickens	7
Turkeys	2

They are hoping for more cattle next year but that remains to be seen. One influencing factor may be a new requirement for insurance for each animal that will come in at around \$40 each.³ It remains to be seen what impact this may have (it pushes up the entry costs could result in a price per pound that exceeds market rates). In any event the animals are processed by Redwood Meats.
